

ENTRANCE AWARDS

General Information

Entrance scholarships and bursaries are available to students entering their first year of post-secondary studies, who will be admitted to the University on the basis of their high school grades. Students must be entering a Fall Session at the University of Calgary. Generally recipients of awards must have achieved above average grades in five appropriate 20-level courses (grade 11) or equivalent for non-Alberta students and in some cases must demonstrate financial need. Upon completion of one year of post-secondary studies at the University of Calgary, a student is then eligible to apply for Undergraduate Awards (Deadline is June 15).

- Students entering the Bachelor of Health Sciences program in the Faculty of Medicine, are eligible to apply for Entrance Awards.
- Students entering or continuing in the Bachelor of Education (Master of Teaching Program) must apply for awards using the Competitive Undergraduate Awards application form (Deadline is June 15).

The following points should be considered when applying for Entrance Awards:
