

1. Purpose

To clarify the University expectations of Visitors to University Facilities and the role in minimizing or eliminating, so far as reasonably practicable, risk to Visitors at University Facilities.

2. Scope

Visitors invited to University Facilities for business purposes and who are not performing work for the University. Visitors include media personnel, donors, industry partners, dignitaries, faculty from other universities and research institutions; individuals from business organizations and governmental entities; and inspectors, including federal, provincial or local officials, etc. Visitors do not include

- x Immediately report any accident, injury, hazard, unsafe condition or safety concern to their Designated University Representative.

4. Check-in and Check-out Procedures

Visitors that are unescorted must check-in with their Designated University Representative prior to beginning their activities on campus and check-out at the end of the day.

5. Emergency Instructions

In the event of life threatening emergencies, Visitors are required to call 9-1-1 and then Campus Security at 403.220.5333. In the event of a fire alarm, Visitors are required to evacuate the building immediately via the closest exit and proceed to the appropriate building assembly point. Once at the assembly point, Visitors must contact their designated University representative to advise him/her of the situation.

6. Accident and Hazard Reporting

Visitors that are involved in or have observed an accident, injury, hazard, unsafe condition or safety concern are required to immediately report to their designated University representative. Designated University representatives are required to report Visitor accidents in OARS.

7. Accessing Laboratories

Where Visitors are required to access University laboratories, Designated University Representatives and Visitors must comply with the requirements outlined in the [Visitors Accessing Laboratories Standard](#) and [Young Persons Accessing Laboratories Standard](#).

8. Personal Protective Equipment (PPE)

Visitors must adhere to the PPE requirements for entry into University Facilities. All Visitors will be advised of the PPE requirements by their Designated University Representative and be provided with PPE if necessary.

9. Definitions

Consultant	Means an individual hired to be an advisor, resource and/or complete tasks specific to their field of expertise that are on campus to perform work.
Contractor	Means an individual or groups of individuals that have been awarded a contract to perform work on University owned or leased property.
Designated University Representative	Means an University Employee who has been appointed by their Manger or Supervisor to be the on-site contact person for a Visitor invited to the University by that faculty/department/unit.
Employee	Means an individual who is engaged to work for the University under an employment contract. There is an employer - employee relationship between the individual and the University. For clarity, this term includes academic staff, support staff, management and professional staff, the senior administration group, researchers, and faculty members. Employees also include visiting scholars, post-doctoral fellows, volunteers and graduate students who are remunerated by the university. These individuals do not have direct reports and are considered to be workers.

Manager	Means an Employee who has management responsibility and includes academic staff members and management and professional staff members who have management responsibility and direct reports. All members of the Senior Leadership Team (SLT) are Managers.
OARS	Means Online Accident Reporting System, the University accident reporting system.
Supervisor	Means an Employee who supervises other Employees; it does not include a Manager. Supervisors have direct reports.
Visitor	Means an individual invited
